The shares covered by the enclosed proxy, if such is properly executed and received by the Board of Directors prior to the meeting, will be voted in favor of the proposals to be considered at the Annual Meeting, and in favor of the election of the nominees to the Board of Directors (three nominees to be elected by the Class A common stockholders voting separately as a class, and five nominees to be elected by the Class A and Class C common stockholders voting together) as listed unless such proxy specifies otherwise, or the authority to vote in the election of directors is withheld.

A proxy may be revoked at any time before it is exercised by giving written notice to the Secretary of the Company at 121 West Election Road, Suite 100, Draper, Utah, 84020, Attention: Jeffrey R. This Proxy Statement and accompanying proxy card are being mailed to stockholders on or about May 15, 2020.

If a stockholder wishes to assign a proxy to someone other than the directors' proxy committee, all names appearing on the proxy card must be crossed out and the name(s) of another person or persons (not more than two) inserted. The signed card must be presented at the meeting by the person(s) representing the stockholder.

The cost of this solicitation will be borne by the Company. The Company may reimburse brokerage firms and other persons representing beneficial owners of shares for their expenses in forwarding solicitation materials to such beneficial owners. The Class A common stockholders will receive a different form of proxy than the Class C common stockholders.

INTERNET AVAILABILITY OF PROXY MATERIALS

The Company will be providing access to its proxy materials over the Internet under the United States Securities and Exchange Commission's "notice and access" rules. Accordingly, on or about May 15, 2020, stockholders will receive a Notice of Internet Availability of Proxy Materials, which will provide instructions on how to access the Company's Proxy Statement and 2019 Annual Report online. This is designed to reduce the Company's printing and mailing costs and the environmental impact of its proxy materials. The notice also contains instructions on how to receive a paper copy of the Company's proxy materials, including the Proxy Statement, the 2019 Annual Report, and a proxy card.

Regardless of whether stockholders plan to participate in the Annual Meeting, stockholders should promptly submit their proxy over the Internet by following the instructions found on the notice. As an alternative, stockholders may follow the procedures outlined in the notice to request a paper proxy card in order to submit their vote by mail.

VOTING SHARES AT THE ANNUAL MEETING

Holders of record of the Company's shares of Class A and Class C common stock as of the close of business on the record date, May 1, 2020, are entitled to receive notice of, and to vote at, the Annual Meeting. The outstanding shares of Class A and Class C common stock constitute the only classes of securities entitled to vote at the Annual Meeting and each share of Class A common stock entitles the holder to one vote and each share of Class C common stock entitles the holder to ten votes. There are three ways to authorize a proxy to vote the shares held by the holders of Class A common stock and Class C common stock:

1. Vote by Internet - Holders of shares of Class A and Class C common stock can use the Internet at www.voteproxy.com to transmit voting instructions and for electronic delivery of information up until 11:59 p.m., Eastern Time on June 25, 2020. Such stockholders should have their proxy card in hand when they access the Company's website and follow the instructions to obtain their records and to create an electronic voting instruction form;
2. Vote by Telephone - Stockholders located in the United States can authorize their proxy by touch-tone telephone by calling 1-800-690-6903 to transmit their voting instructions up until 11:59 p.m., Eastern Time on June 25, 2020. Stockholders should have their proxy card in hand when they call and then follow the instructions; or
3. Vote by Mail - Stockholders receiving proxy materials by mail may authorize a proxy by mail by signing and dating the proxy, then returning it in the postage-paid envelop that has been provided, or return it to Vote Processing, c/o Broadridge, 51 Mercedes Way, Edgewood, New York 11717.

If the holders of shares of Class A and Class C common stock are held in the name of a bank, broker or other holder of record, such stockholders will receive instructions from the holder of record. Stockholders must follow the instructions of the holder of record in order for shares to be voted. Internet and telephone proxy authorization also will be offered to stockholders owning shares through certain banks and brokers. If such shares are not registered in the stockholder's own name and the stockholder plans to vote such shares in person at the Annual Meeting, such stockholder should contact such stockholder's broker or agent to obtain a legal proxy or broker's proxy card and submit it by mail or bring it to the Annual Meeting in order to vote.

Shares will be voted as the stockholder of record instructs. The persons named as proxies on the proxy card will vote as recommended by the Company's Board of Directors on any matter for which a stockholder has not given instructions. The Board of Directors' recommendations appear at the end of each of the proposals.

REVOKING A PROXY

Stockholders of record may revoke their proxy and change votes any time before their votes are cast by:

1. Giving written notice of revocation to the attention of Jeffrey R. Stephens, Senior General Counsel and Secretary, Security National Financial Corporation, 121 West Election Road, Suite 100, Draper, Utah 84020 prior to the Annual Meeting.

He is a former Speaker and House Majority Leader of the House of Representatives of the State of Utah. From 1989 to 1992, Mr. Moody was Co-Chairman of the Utah Legislative Audit Committee. Mr. Moody received a B.S. degree in Political Science from the University of Utah. Mr. Moody's real estate and governmental affairs expertise and years of business and leadership experience led the Board of Directors to conclude he should serve as a director of the Company.

Norman G. Wilbur has served as a director of the Company since 1998. Mr. Wilbur worked for J.C. Penney's regional offices in budget and analysis. His final position was Manager of Planning and Reporting for J.C. Penney's stores. After 36 years with J.C. Penney's, Mr. Wilbur opted for early retirement in 1997. Mr. Wilbur received a B.S. degree in Accounting from the University of Utah. Mr. Wilbur's financial expertise and business experience from a

successful career at J.C. Penney's led the Board of Directors to conclude he should serve as a director. In addition, the Board of Directors' determination that Mr. Wilbur is the Audit Committee "financial expert" lends further support to his financial acumen and qualification for serving as a director of the Company.

The Board of Directors recommends that stockholders vote "FOR" the election of each of the director nominees.

The Board of Directors, Board Committees, and Meetings

The Company's Bylaws provide that the Board of Directors shall consist of not less than five nor more than twelve. The term of office of each director is for a period of one year or until the election and qualification of his successor. A director is not required to be a resident of the State of Utah or a stockholder of the Company. The Board of Directors held a total of five meetings during the fiscal year ended December 31, 2019. Each of the directors attended 75% or more of the meetings of the Board of Directors during 2019.

The size of the Board of Directors of the Company is eight members. A majority of the Board of Directors must qualify as "independent" as that term is defined in Rule 4200 of the listing standards of The Nasdaq Stock Market. The Board of Directors has affirmatively determined that five of the eight members of the Board of Directors, namely Messrs. John L. Cook, Gilbert A. Fuller, Robert G. Hunter, M.D., H. Craig Moody, and Norman G. Wilbur are independent under the listing standards of The Nasdaq Stock Market.

Unless authority is withheld by your proxy, it is intended that the Class A or Class C common stock represented by your proxy will be voted for the respective nominees listed above. If any nominee should not serve for any reason, the proxy will be voted for such person as shall be designated by the Board of Directors to replace such nominee. The Board of Directors has no reason to expect that any nominee would be unable to serve. There is no arrangement between any of the nominees and any other person or persons pursuant to which he or she was or is to be selected as a director. Employment Agreement with Scott M. Quist

On December 4, 2012, the Company entered into an employment agreement with Scott M. Quist, Chairman of the Board, President, and Chief Executive Officer of the Company. The agreement was for a six-year term beginning on December 4, 2012 and ending on December 4, 2018. Under the terms of the Agreement, the Board of Directors may, in its sole discretion, extend the term of the agreement for an additional four year term provided that Mr. Quist has continued to perform his duties with usual and customary care, diligence, and prudence commensurate with his position with the Company. In addition, Mr. Quist is required to perform such additional duties as may be assigned to him from time to time by the Company's Board of Directors.

Effective December 4, 2018, the Board members approved a motion to extend Mr. Quist's employment agreement for an additional four-year term ending December 2022. Mr. Quist abstained from voting on the motion to extend his employment agreement for the additional four year term. Under the terms of the employment agreement, Mr. Quist is to devote his full time to the Company, serving as Chairman of the Board, President, and Chief Executive Officer at not less than his current salary and benefits. The Company also agrees to maintain a group term life insurance policy of not less than \$1,000,000 and a whole life insurance policy in the amount of \$500,000 on Mr. Quist's life. In the event of disability, Mr. Quist's salary would be continued for up to five years at 75% of his then current level of compensation.

In the event of a sale or merger of the Company and Mr. Quist is not retained in his current position, the Company would be obligated to continue paying Mr. Quist's current compensation and benefits for seven years following the merger or sale. The employment agreement further provides that Mr. Quist is entitled to receive annual retirement benefits beginning (i) one month from the date of his retirement (to commence no sooner than age 65), (ii) five years following complete disability, or (iii) upon termination of his employment without cause. These retirement benefits are to be paid for a period of twenty years in annual installments in the amount equal to 75% of his then current level of compensation. In the event that Mr. Quist dies prior to receiving all retirement benefits thereunder, the remaining benefits are to be paid to his heirs. The Company expensed \$660,000 and \$660,000 during the years ended December 31, 2019 and 2018, respectively, to cover the present value of anticipated retirement benefits under the employment agreement. The liability accrued was \$5,722,837 and \$5,191,670 as of December 31, 2019 and 2018, respectively.

Employee 401(k) Retirement Savings Plan

In 1995, the Company's Board of Directors adopted a 401(k) Retirement Savings Plan. Under the terms of the 401(k) plan, effective as of January 1, 1995, the Company made discretionary employer matching contributions to its employees who choose to participate in the plan. The plan allows the Board to determine the amount of the contribution at the end of each year. During the period from January 1, 1995 to December 31, 2007 the Board adopted a contribution formula specifying that such discretionary employer matching contributions would equal 50% of the participating employee's contribution to the plan to purchase the Company's stock up to a maximum discretionary employee contribution of ½ of 1% of participating employees' compensation, as defined by the plan.

All persons who have completed at least one year's service with the Company and satisfy other plan requirements are eligible to participate in the 401(k) plan. All Company matching contributions are invested in the Company's Class A common stock. Also, the Company may contribute at the discretion of the Company's Board of Directors an Employer Profit Sharing Contribution to the 401(k) plan. The Employer Profit Sharing Contribution is to be divided among three different classes of participants in the plan based upon the participant's title in the Company. All amounts contributed to the plan are deposited into a trust fund administered by an independent trustee.

Beginning January 1, 2008, the Company elected to be a “Safe Harbor” Plan for its matching 401(k) contributions. The Company will match 100% of up to 3% of an employee’s total annual compensation and 50% of 4% to 5% of an employee’s annual compensation. The match is in shares of the Company’s Class A common stock.

The Company’s contribution for 2019 and 2018 was \$695,560 and \$1,480,913, respectively, under the “Safe Harbor” plan.

Stock Repurchase Plan

On September 7, 2018, the Board approved the Security National Financial Stock Repurchase Plan that authorized the repurchase of 300,000 shares of the Company’s Class A Common Stock in the open market. The repurchased shares of Class A common stock will be held as treasury shares to be used as the Company’s employer matching contribution to the Employee 401(k) Retirement Savings Plan.

Employee Stock Ownership Plan (ESOP)

Effective January 1, 1980, the Company adopted an employee stock ownership plan (the “ESOP Plan”) for the benefit of career employees of the Company and its subsidiaries. Under the ESOP Plan, the Company used discretionary power to make contributions on behalf of all eligible employees into a trust created under the ESOP Plan. Employees became eligible to participate in the ESOP Plan when they have attained the age of 19 and have completed one year of service (a twelve-month period in which the employee completes at least 1,040 hours of service).

The Company’s contributions under the ESOP Plan were allocated to eligible employees on the same ratio that each eligible employee’s compensation bears to total compensation for all eligible employees during each year. Benefits under the ESOP Plan vested as follows: 20% after the second year of eligible service by an employee and an additional 20% each year thereafter of eligible service until 100% vested. Benefits under the ESOP Plan will be paid out in one lump sum or in installments in the event the employee becomes disabled, reaches the age of 65, or is terminated by the Company or demonstrates financial hardship.

On November 25, 2019, the Company distributed a notice of intent to terminate the ESOP Plan to all current plan participants. The Company also filed Form 5310, an application for determination for terminating plan, with the IRS on December 6, 2019. The Company is awaiting approval of its application from the IRS prior to its final distribution of the ESOP Plan assets to the participants. At December 31, 2019, the ESOP Plan held 495,618 shares of the Company’s Class A common stock and 307,491 shares of the Company’s Class C common stock. The trustees of the trust fund under the ESOP Plan are Scott M. Quist (Chairman), S. Andrew Quist, and Robert G. Hunter, who each serve as a director of the Company.

Non-Qualified Deferred Compensation Plan

In 2001, the Company’s Board of Directors adopted a Non-Qualified Deferred Compensation Plan and this plan was amended in 2005 and later amended in 2019. Under the terms of the plan, the Company will provide deferred compensation for a select group of management or highly compensated employees, within the meaning of Sections 201(2), 301(a)(3), and 401(a)(1) of the Employee Retirement Income Security Act of 1974, as amended. The Board has appointed a committee of the Company to be the plan administrator and to determine the employees who are eligible to participate in the plan. The employees who participate may elect to defer a portion of their compensation into the plan. The Company may contribute into the plan at the discretion of the Company’s Board of Directors. The Company did not make any contributions for 2019 or 2018. The investment committee of the Company’s Non-Qualified Deferred Compensation Plan consists of Scott M. Quist, Stephen C. Johnson, and Garrett S. Sill.

2013 Stock Option and Other Equity Incentive Awards Plan

On August 24, 2013, the Company adopted the Security National Financial Corporation 2013 Stock Option Plan, which reserved 450,000 shares of Class A common stock to be made available for issuance thereunder, of which up to 150,000 shares of Class C common stock could be issued as an alternative to up to 150,000 shares of Class A common stock. The 2013 Plan provides for the grant of options and the award or sale of stock to officers, directors, and employees of the Company. Both incentive stock options, as defined under Section 422A of the Internal Revenue Code of 1986 and non-qualified options may be granted under the 2013 Plan. The 2013 Plan was approved by the stockholders at the Company's Annual Meeting that was held on July 12, 2013.

On July 1, 2015, the stockholders approved an amendment to the 2013 Plan to authorize an additional 450,000 shares of Class A common stock under the 2013 Plan, of which up to 200,000 shares of Class C common stock may be issued as an alternative to up to 200,000 shares of Class A common stock. On June 29, 2017, the stockholders approved an amendment to the 2013 Plan to authorize an additional 500,000 shares of Class A common stock to be available for issuance under the plan, of which up to 250,000 shares of Class C common stock may be issued as an alternative to up to 250,000 shares of Class A Common Stock.

The 2013 Plan is to be administered by the Board of Directors or by a committee designated by the Board. The terms of options granted or stock awards or sales affected under the 2013 Plan are to be determined by the Board of Directors or its committee. No options may be exercised for a term of more than ten years from the date of the grant. Options intended as incentive stock options may be issued only to employees, and must meet certain conditions imposed by the Internal Revenue Code, including a requirement that the option exercise price be no less than the fair market value of the option shares on the date of grant. The 2013 Plan provides that the exercise price for non-qualified options will not be less than at least 50% of the fair market value of the stock subject to such option as of the date of grant of such options, as determined by the Company's Board of Directors.

The 2013 Plan also provides that if the shares of common stock shall be subdivided or combined into a greater or smaller number of shares or if the Company shall issue any shares of common stock as a stock dividend on its outstanding common stock, the number of shares of common stock deliverable upon the exercise of options shall be increased or decreased proportionately, and appropriate adjustments shall be made in the purchase price to reflect such subdivision, combination or stock dividend. In addition, the number of shares of common stock reserved for purposes of the plan shall be adjusted by the same proportion. No options may be exercised for a term of more than ten years from the date of grant.

The 2013 Plan further provides that an option shall be exercised by giving written notice to the Company. Such notice shall identify the option being exercised and specify the number of shares as to which such option is being exercised, accompanied by payment of the purchase price. The purchase price may be made either in cash or by check or, at the discretion of the Board, through delivery of shares of common stock having a fair market value equal as of the date of the exercise to the cash exercise price of the option or, at the discretion of the Board, through the use of some of the shares for which the option is being exercised (a cashless transaction), or by any combination of the foregoing means of payment.

On December 4, 2015, the Board of Directors approved a resolution to amend the 2013 Plan to include additional equity incentive awards. These additional incentive awards in the plan consist of Stock Appreciation Rights (SARs), Restricted Stock Units (RSUs), and Performance Share Awards. Stock Appreciation Rights are awards that entitle the recipient to receive cash or stock equal to the excess of the Company's stock price on the date the SAR is exercised over the Company's stock price on the date the SAR was granted times the number of shares of stock with respect to which the SAR is exercised. Restricted Stock Units entitle the recipient to receive RSUs that require the Company on the distribution dates to transfer to the recipient one unrestricted, fully transferable share of stock for each RSU scheduled to be paid out on that date. Performance Share Awards entitle the recipient to receive stock based on the Company meeting certain performance goals. As amended, the 2013 Plan is now entitled, the "Security National Financial Corporation Amended and Restated 2013 Stock Option and Other Equity Incentive Awards Plan."

The 2013 Plan has a term of ten years. The Board of Directors may amend or terminate the 2013 Plan at any time, from time to time, subject to approval of certain modifications to the 2013 Plan by the stockholders of the Company as may be required by law or the 2013 Plan.

Stock Purchase Plan

On September 11, 2015, the Board of Directors approved the Security National Financial Corporation Stock Purchase Plan for the mutual benefit of the Company and its stockholders. Under the terms of the plan, the Company has the option to purchase shares of Class A common stock from its officers and directors who exercise the stock options granted to them under any of the Company's stock option plans with the proceeds from such purchases to be used to pay the taxes owed by such officers and directors as a result of the exercise of their stock options. Additionally, the officers and directors who exercise their stock options may, in their discretion, request that the Company purchase shares of their Class A common stock with the proceeds from such sale to be used to pay the taxes owed by such officers and directors as a result of the exercise of their stock options.

The Company is authorized under the plan to purchase no more than 60,000 shares of Class A common stock in any calendar year to pay the taxes owed by the officers and directors who exercise their stock options under the Stock Purchase Plan. The Company's purchase price for the Class A common stock under the Stock Purchase Plan shall be equal to the closing sales price of the Company's Class A common stock as reported by The Nasdaq National Market on the day that the applicable stock options are exercised by such officers and directors. The Company may only purchase shares of Class A common stock from the officers and directors exercising their stock options under the Stock Purchase Plan during the "Trading Window" as defined in the Company's Insider Trading Policy and Guidelines.

Director Compensation

Directors of the Company (but not including directors who are employees) are currently paid a director's fee of \$21,600 per year by the Company for their services and are reimbursed for their expenses in attending board and committee meetings. An additional director fee of \$750 is paid to each audit committee member for each audit committee meeting attended. Each director is provided with an annual grant of stock options to purchase 1,000 shares of Class A common stock, which occurred under the 2000 Director Stock Option Plan for years 2000 to 2005, under the 2006 Director Stock Option Plan and under the 2014 Director Plan for years 2006 to 2018. During 2019, each director was granted options to purchase an additional 1,000 shares of Class A common stock.

2014 Director Stock Option Plan

On May 16, 2014, the Company adopted the Security National Financial Corporation 2014 Director Stock Option Plan. The 2014 Director Plan was approved by the stockholders at the Company's Annual Meeting that was held on July 2, 2014. The 2014 Director Plan provides for the grant by the Company of options to purchase up to an aggregate of 150,000 shares of Class A common stock to be made available for issuance under the plan. The 2014 Director Plan also provides that each member of the Company's Board of Directors who is not an employee or paid consultant of the Company is automatically eligible to receive options to purchase the Company's Class A common stock under the plan. The 2014 Director Plan replaces the Company's 2006 Director Stock Option Plan, which was terminated on July 2, 2014.

Additionally, on December 1, 2017, Section 4(b)(ii) of the 2014 Director Plan was amended to provide that effective as of December 7, 2014, and annually each year thereafter during the term of the plan on a day as determined each year by the Board, each outside director shall automatically receive an option to purchase 1,000 shares of Class A common stock. Also, each new outside director who joins the Board on or after the effective date shall automatically be granted an option to purchase 1,000 shares of Class A common stock upon the date on which such person first becomes an outside director, whether through election by the shareholders of the Company, appointment by the Board to fill a vacancy, or termination of employment by the Company while remaining as a director (a one-time grant) and an annual

grant of an option to purchase 1,000 shares of Class A common stock each year thereafter during the term of the plan on a day as determined each year by the Board.

On March 27, 2020, the Board approved an amendment to the 2014 Director Plan to provide for the cashless exercise of stock options. Prior to the approval of the amendment, the consideration for the shares to be issued upon the exercise of a stock option under the 2014 Director Plan included either cash, check, or at the discretion of the Board, through delivery of shares of common stock having a fair market value equal to the cash exercise price of the option, or a combination of the foregoing methods of payment. As amended, at the discretion of the Board, the consideration for exercising the option may also include the use of some or all of the shares for which the option is exercised (cashless exercise of the option), or by any combination of the foregoing methods of payment. As a result of the approval of the amendment, the 2014 Director Plan is now entitled, the “Security National Financial Corporation Amended and Restated 2014 Director Stock Option Plan.”

The options granted to outside directors shall vest in four equal quarterly installments over a one year period from the date of grant, until such shares are fully vested. The primary purposes of the 2014 Director Plan are to enhance the Company's ability to attract and retain well-qualified persons for service as directors and to provide incentives to such directors to continue their association with the Company.

In the event of a merger of the Company with or into another company, or a consolidation, acquisition of stock or assets, or other change in control transaction involving the Company, each option granted under the 2014 Director Plan becomes exercisable in full, unless such option is assumed by the successor corporation. In the event the transaction is not approved by a majority of the “Continuing Directors” (as defined in the 2014 Director Plan), each option becomes fully vested and exercisable in full immediately prior to the consummation of such transaction, whether or not assumed by the successor corporation.

Compliance with Section 16(a) of the Securities Exchange Act of 1934

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires the Company's executive officers, directors and persons who own more than 10% of a registered class of the Company's equity securities to file reports of ownership and periodic changes in ownership of the Company's shares of Class A and Class C common stock with the Securities and Exchange Commission. Such persons are also required to furnish the Company with copies of all Section 16(a) reports they file.

Based solely on its review of the copies of stock reports received by the Company with respect to fiscal 2019, or written representations from certain reporting persons, the Company believes that its directors, executive officers, and greater than 10% beneficial owners complied with all Section 16(a) filing requirements applicable to them, except that each of the executive officers and directors, through an oversight, filed one late Form 4 report disclosing the granting of stock options on December 6, 2019.

Certain Relationships and Related Transactions and Director Independence

The Company's Board of Directors has a written procedure, which requires disclosure to the Board of any material interest or any affiliation on the part of its officers, directors or employees that is in conflict or may be in conflict with the interests of the Company.

REPORT OF THE COMPENSATION COMMITTEE

Compensation Discussion and Analysis

Under rules established by the Securities and Exchange Commission (the "Commission"), the Company is required to provide certain data and information in regard to the compensation and benefits provided to its Chief Executive Officer, Chief Financial Officer, and the three other most highly compensated executive officers. In fulfillment of this requirement, the Compensation Committee, at the direction of the Board of Directors, has prepared the following report for inclusion in this Proxy Statement.

Executive Compensation Philosophy. The Compensation Committee of the Board of Directors is composed of five directors, all of whom are independent, outside directors. The Compensation Committee is responsible for setting and administering the policies and programs that govern both annual compensation and stock ownership programs for the executive officers of the Company. The Company's executive compensation

policy is based on principles designed to ensure that an appropriate relationship exists between executive pay and corporate performance, while at the same time motivating and retaining executive officers.

Executive Compensation Components. The key components of the Company's compensation program are base salary, an annual incentive award, and equity participation. These components are administered with the goal of providing total compensation that is competitive in the marketplace, rewards successful financial performance, and aligns executive officers' interests with those of stockholders. The Compensation Committee reviews each component of executive compensation on an annual basis.

Base Salary. Base salaries for executive officers are set at levels believed by the Compensation Committee to be sufficient to attract and retain qualified executive officers. Base pay increases are provided to executive officers based on an evaluation of each executive's performance, as well as the performance of the Company as a whole. In establishing base salaries, the Compensation Committee not only considers the financial performance of the Company, but also the success of the executive officers in developing and executing the Company's strategic plans, developing management employees and exercising leadership. The Compensation Committee believes that executive officer base salaries for 2019 were reasonable as compared to amounts paid by companies of similar size.

Annual Incentive. The Compensation Committee believes that a significant proportion of total cash compensation for executive officers should be subject to attainment of specific Company financial performance. This approach creates a direct incentive for executive officers to achieve desired performance goals and places a significant percentage of each executive officer's compensation at risk. Consequently, each year the Compensation Committee establishes potential bonuses for executive officers based on the Company's achievement of certain financial performance. The Compensation Committee believes that executive officer annual bonuses for 2019 were reasonable as compared to amounts paid by companies of similar size.

Stock Options. The Compensation Committee believes that equity participation is a key component of its executive compensation program. Stock options are granted to executive officers primarily based on the officer's actual and potential contribution to the Company's growth and profitability and competitive marketplace practices. Option grants are designed to retain executive officers and motivate them to enhance stockholder value by aligning the financial interests of executive officers with those of stockholders. Stock options also provide an effective incentive for management to create stockholder value over the long term since the full benefit of the compensation package cannot be realized unless an appreciation in the price of the Company's Class A common stock occurs over a number of years.

Compensation of Chief Executive Officer. Consistent with the executive compensation policy and components described above, the Compensation Committee determined the salary, bonus and stock options received by Scott M. Quist, Chairman of the Board, President, and Chief Executive Officer of the Company, for services rendered in 2019. Mr. Quist had received a base salary of \$528,498 for 2019. Under the Compensation Committee's rules, the Chief Executive Officer may not be present during voting or deliberations related to his compensation.

REPORT OF THE AUDIT COMMITTEE

The Company has an Audit Committee consisting of four non-management directors: John L. Cook, Gilbert A. Fuller, H. Craig Moody, and Norman G. Wilbur (Chairman of the committee). Each member of the Audit Committee is considered independent and qualified in accordance with applicable independent director and audit committee listing standards. The Company's Board of Directors has adopted a written charter for the Audit Committee.

During the year 2019, the Audit Committee met three times. The Audit Committee has met with management and discussed the Company's internal controls, the quality of the Company's financial reporting, the results of internal and external audit examinations, and the audited financial statements. In addition, the Audit Committee met with the Company's independent registered public accountants, Deloitte & Touche LLP, and discussed all matters required to be discussed by the auditors with the Audit Committee under the Statement on Auditing Standards No. 114 (communication with audit committees). The Audit Committee reviewed and discussed with the auditors their annual written report on their independence from the Company and its management, which is made under Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees) and Public Company Accounting Oversight Board Rule No. 3526 (Communication with Audit Committees Concerning Independence), and considered with the auditors whether the non-audit services provided by them to the Company during 2019 was compatible with the auditors' independence.

In performing these functions, the Audit Committee acts only in an oversight capacity. In its oversight role, the Audit Committee relies on the work and assurances of the Company's management, which is responsible for the integrity of the Company's internal controls and its financial statements and reports, and the Company's independent auditors, who are responsible for performing an independent audit of the Company's financial statements in accordance with generally accepted auditing standards and for issuing a report on these financial statements.

Pursuant to the reviews and discussions described above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2019 for filing with the U.S. Securities and Exchange Commission.

APPROVAL, ON AN ADVISORY BASIS, OF THE COMPENSATION OF THE COMPANY'S NAMED EXECUTIVE OFFICERS

PROPOSAL 2

The Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010, or the Dodd-Frank Act, enables the Company's stockholders to vote to approve, on an advisory (nonbinding) basis, the compensation of the Named Executive Officers as disclosed in this Proxy Statement in accordance with the SEC's rules. Thus, pursuant to Section 14A of the Securities Exchange Act of 1934, the Company is asking stockholders for an advisory approval of the compensation of the Company's Named Executive Officers as described in the Compensation Discussion and Analysis, the compensation tables, and related narrative discussion included in this Proxy Statement.

As discussed in the Compensation Discussion and Analysis, the Company designs its compensation programs to maintain a performance- and achievement-oriented environment throughout the Company. The goals of the

Company's executive compensation program are to provide total compensation that is competitive in the market place and that rewards successful financial performance in order to attract, retain, and motivate highly-qualified executive officers and other key employees who contribute to the Company's long-term success, to align executive compensation with the Company's business objectives and performance, and to motivate executive officers to enhance long-term stockholder value.

Consistent with these goals and as discussed in the Compensation Discussion and Analysis, the Compensation Committee has designed guiding principles to ensure that an appropriate relationship exists between executive pay and corporate performance, while at the same time motivating and retaining executive officers.

The Company is asking its stockholders to indicate their support for the compensation of the Company's Named Executive Officers as described in this Proxy Statement. This proposal, commonly known as a "say-on-pay" proposal, gives the stockholders the opportunity to express their views on the compensation of the Named Executive Officers. This vote is not intended to address any specific item of compensation, but rather the overall compensation of the Company's Named Executive Officers and the philosophy, policies, and practices described in this Proxy Statement. Accordingly, the Board of Directors asks the stockholders to vote "FOR" the following resolution at the Annual Meeting:

"RESOLVED, that the Company's stockholders approve, on an advisory basis, the compensation of the Named Executive Officers, as disclosed in the Company's Proxy Statement for the 2019 Annual Meeting of Stockholders pursuant to the compensation disclosure rules of the United States Securities and Exchange Commission, including the Compensation Discussion and Analysis, the 2019 Summary Compensation Table, and the other related tables and disclosures."

The say-on-pay vote is advisory, and therefore not binding on the Company, the Board of Directors, or the Compensation Committee. The Board of Directors and the Compensation Committee value the opinions of the Company's stockholders and will take into account the outcome of this vote in considering future compensation arrangements for the Named Executive Officers.

The Board of Directors recommends that the stockholders vote "FOR" approval, on an advisory basis, of the compensation paid to the Company's Named Executive Officers.

APPROVAL OF AMENDMENTS AND RESTATEMENTS TO THE SECURITY NATIONAL FINANCIAL CORPORATION AMENDED AND RESTATED 2013 STOCK OPTION AND OTHER EQUITY INCENTIVE AWARDS PLAN, AND THE SECURITY NATIONAL FINANCIAL CORPORATION AMENDED AND RESTATED 2014 DIRECTOR STOCK OPTION PLAN

PROPOSAL 3 AND PROPOSAL 4

The Board of Directors is requesting that the Company's stockholders approve an amendment to the Security National Financial Corporation Amended and Restated 2013 Stock Option and Other Equity Incentive Awards Plan (the "2013 Plan") and the Security National Financial Corporation Amended and Restated 2014 Director Stock Option Plan (the "2014 Director Plan") at the Annual Meeting to be held on June 26, 2020. On March 27, 2020, the Board approved the amendment to the 2013 Plan and the amendment to the 2014 Director Plan. The amendment to the 2013 Plan provides for the reservation of an additional 500,000 shares of Class A common stock to be available for issuance under the 2013 Plan, of which up to 350,000 shares of Class C common stock may be issued as an alternative to up to 350,000 shares of Class A common stock. The amendment to the 2014 Director Plan provides for the reservation of an additional 100,000 shares of Class A common stock to be available for issuance under the 2014 Director Plan.

Subject to stockholder approval of the amendment to the 2013 Plan, the 500,000 shares of Class A common stock to be reserved for issuance under the 2013 Plan represent approximately 2.7% of the total outstanding shares of Class A common stock as of March 31, 2020 on a fully converted basis. Subject to stockholder approval of the

amendment to the 2014 Director Plan, the 100,000 shares of Class A common stock to be reserved for issuance under the 2014 Director Plan, together with the 500,000 shares of Class A common stock reserved for issuance under the 2013 Plan, represent approximately 3.72% of the total outstanding shares of Class A common stock as of March 31, 2020 on a fully converted basis.

On December 31, 2019, there were 16,107,779 shares of Class A common stock and 2,500,887 shares of Class C common stock issued and outstanding. Thus, if the stockholders approve the amendments to the 2013 Plan and the 2014 Director Plan, including the reservation of the additional 500,000 shares of Class A common stock for issuance under the 2013 Plan and the reservation of the additional 100,000 Class of common stock under the 2014 Director Plan, the holders of Class A common stock could realize up to a 1.8% dilution with respect to their shares. Assuming all the Class C common stockholders whose shares may be converted to Class A common shares at a conversion rate of one-for-one, convert their Class C common shares to Class A common shares, the Class A and Class C common stockholders could realize up to a 3.12% dilution with respect to their shares on a fully converted basis.

The stockholders are being asked to approve the amendments to the 2013 Plan and the 2014 Director Plan and the reservation of shares for issuance under the plans at the Annual Meeting. The affirmative vote of the holders of a majority of the outstanding shares of Class A and Class C common stock entitled to vote at the Annual Meeting will be required to approve the amendments to the 2013 Plan and the 2014 Director Plan.

The Board believes that approving the amendments to the 2013 Plan and the 2014 Director Plan are in the best interest of the stockholders. The Board has unanimously approved the proposed amendments to the 2013 Plan and the 2014 Director Plan and recommends that the Company's stockholders adopt and approve the proposed amendments to the 2013 Plan and the 2014 Director Plan at the Annual Meeting to provide the Company with the continued ability to grant a variety of equity awards to help attract, motivate and retain officers, directors and employees of the Company and its subsidiaries. If the stockholders approve the amendments to the 2013 Plan and the 2014 Director Plan at the Annual Meeting, the amendments will be effective as of the date of the Annual Meeting.

The purpose of the amendments to the 2013 Plan and the 2014 Director Plan is to promote the success and enhance the value of the Company by aligning the financial interests of the officers, employees and members of the Board with those of stockholders and by providing these individuals with an incentive to work to enhance stockholder value. The 2013 Plan and the 2014 Director Plan also provide an incentive for officers, directors and employees to create stockholder value over the long term since the full value of their compensation package cannot be realized unless an appreciation in the price of the Company's Class A common stock occurs over a number of years. The 2013 Plan and the 2014 Director Plan are also intended to provide the Company with flexibility in creating ways to attract, motivate, and retain the services of its officers, directors and employees.

As explained in greater detail in the Compensation Discussion and Analysis section of this Proxy Statement, the Company grants its officers and employees equity participation in the Company. The 2013 Plan and the 2014 Director Plan provide officers, directors, and employees with opportunities to purchase stock in the Company pursuant to incentive stock options, and officers, directors, employees and consultants of the Company with opportunities to purchase stock in the Company pursuant to non-qualified options, stock awards, and direct purchasers of stock in the Company. Neither the Board nor the Compensation Committee has retained any consultant to provide any analysis or opinion in connection with the amendment to the 2013 Plan or the amendment to the 2014 Director Plan.

In order to continue to make grants in accordance with the compensation philosophy adopted by the Board and the Compensation Committee, the Board has approved and is requesting the stockholders to approve the amendment to the 2013 Plan and the amendment to the 2014 Director Plan. The Board believes that the availability of such equity incentives has served, and will continue to serve, an important part in the implementation of the Company's growth strategy.

The Board's rationale for reserving an additional 500,000 Class A common shares for issuance under the 2013 Plan, of which up to 350,000 shares of Class C common stock may be issued in substitution for up to 350,000 shares of Class A common stock, is that this number of shares is similar to the number of shares the Board initially reserved for the Company's 2013 Plan for purposes of motivating the Company's officers, directors and employees to accomplish the Company's goals while balancing the dilutive effect of such additional shares to the stockholders. When the 2013 Plan was adopted, the Board initially reserved 450,000 shares of Class A common stock for issuance under the plan, of which up to 150,000 shares of Class C common stock could be issued in substitution for up to 150,000 shares of Class A common stock.

The Board's rationale for reserving an additional 100,000 Class A common shares for issuance under the 2014 Director Plan is for purposes of motivating the Company's outside directors to accomplish the Company's goals while balancing the dilutive effect of such additional shares to the stockholders. When the 2014 Director Plan was adopted, the Board initially reserved 150,000 shares of Class A common stock for issuance under the plan.

It may be desirable, however, within the next several years for the Board to propose additional amendments to the 2013 Plan or the 2014 Director Plan to authorize additional shares of Class A common stock to be made available for issuance under the plans. Such amendments would be subject to stockholder approval at an annual or special meeting of the stockholders. The 2013 Plan, for instance, was amended on July 1, 2015 and June 29, 2017 to authorize additional shares of Class A and Class C common stock to be made available for issuance under the plan. The 2014 Director Plan has not been amended to authorize additional shares since it was adopted on July 2, 2014.

The Board believes that while the Company's officers and employees are compensated in a variety of ways, including salary, health insurance, 401(k) and cafeteria plans, granting stock options represent an important form of compensation in furtherance of the objective of increasing the price of the Company's Class A common stock and thus enhancing stockholder value.

As of December 31, 2019, the Company had a total of 89,664 Class A common shares available for grant under equity incentive plans, consisting of 84,554 Class A common shares available for grant under the 2013 Plan, and 5,110 Class A common shares available for grant under the 2014 Director Plan.

Assuming stockholder approval of the amendments to the 2013 Plan and the 2014 Director Plan, and based on the equity awards currently outstanding under the 2013 Plan and the 2014 Director Plan, the Company would have a total of 689,664 Class A common shares available for grant under all plans, consisting of a total of 584,554 Class A common shares available for grant under the 2013 Plan, of which up to 350,000 shares of Class C common stock may be issued in as an alternative to up to 350,000 shares of Class A common stock, and 105,110 shares of Class A common stock available for grant under the 2014 Director Plan. The number of shares available for grant under the 2013 Plan and the 2014 Director Plan will increase in connection with the cancellation or forfeiture of awards outstanding under such plans and for the issuance of stock dividends, but such increases would not have a dilutive effect on the stockholders' shares of Class A and Class C common stock.

Outstanding Stock Options and Equity Overhang

The following tables provide information about the Company's outstanding stock options as of December 31, 2019. Approximately 81.4% of outstanding stock options were exercisable on that date and approximately 77.4% of exercisable options had exercise prices above the closing price on that date. On December 31, 2019, the closing price of the Company's Class A common stock on The Nasdaq National Market was \$5.57 per share.

As of December 31, 2019, the sum of (i) the total number of stock options and other equity awards granted and outstanding plus (ii) the shares available for grant under all active equity plans (but not giving effect to the proposed amendments to the 2013 Plan and the 2014 Director Plan), as a percentage of the Company's outstanding shares of Class A common stock (also referred to as the Company's "equity overhang"), was equal to 10.94%.

Three-Year Burn Rate

The Board reviews the Company's equity programs annually in its effort to balance the Board's goal of including the use of equity in its compensation programs to attract, motivate and retain its executive officers, directors and employees, with the stockholders' interest in limiting dilution due to the equity plans. The following table provides information on the Company's annual share usage.

	<u>2017</u>	<u>2018</u>	<u>2019</u>	<u>3-Year Average</u>

(2) Burn rate is equal to the stock options granted *plus* restricted stock awards and purchases, minus the number of shares cancelled, *divided* by weighted average of common shares outstanding.

2013 Plan Equity Awards

Equity awards under the 2013 Plan are subject to the discretion of the Board and the Compensation Committee. There are no projections under consideration by the Board or the Compensation Committee for future equity awards under the 2013 Plan. Therefore, it is not possible to determine the awards that will be made in the future to participants in the 2013 Plan. As of December 31, 2019, the Company had made the following equity grants consisting of stock options under the 2013 Plan:

	Number of Equity Awards Granted Under

APPROVAL OF THE SECURITY NATIONAL FINANCIAL CORPORATION AMENDED AND RESTATED 2013 STOCK OPTION AND OTHER EQUITY INCENTIVE AWARDS PLAN

PROPOSAL 3

Dilutive Impact of Amendment to 2013 Plan

Neither the Board nor the Compensation Committee have any future plans under consideration to again amend and restate the 2013 Plan to authorize additional shares of Class A or Class C common stock to be made available for issuance under the 2013 Plan. In addition, there are not any projections under consideration for future stock options or other equity awards to be made available under the 2013 Plan. There can be no assurance, however, that there will be no additional amendments proposed to the 2013 Plan in the future to make additional common shares available for issuance under the plan.

Any future amendment, if any, to the 2013 Plan to reserve additional shares for issuance thereunder would require stockholder approval at an annual or special meeting of the stockholders. Stockholders would be furnished with a proxy statement in connection with any such amendment, explaining the reasons for the amendment and the dilutive impact of the amendment on the stockholders' common shares.

**APPROVAL OF THE SECURITY NATIONAL FINANCIAL CORPORATION
AMENDED AND RESTATED 2014 DIRECTOR STOCK OPTION PLAN**

PROPOSAL 4

Dilutive Impact of Amendment to 2014 Director Plan

Neither the Board nor the Compensation Committee have any future plans under consideration to again amend and restate the 2014 Director Plan to authorize additional shares of Class A or Class C common stock to be made available for issuance under the 2014 Director Plan. In addition, there are not any projections under consideration for future stock options or other equity awards to be made available under the 2014 Director Plan.

There can be no assurance, however, that there will be no additional amendments proposed to the 2014 Director Plan in the future to make additional common shares available for issuance under the 2014 Director Plan.

Any future amendment, if any, to the 2014 Director Plan to reserve additional shares for issuance thereunder would require stockholder approval at an annual or special meeting of the stockholders. Stockholders would be furnished with a proxy statement in connection with any such amendment, explaining the reasons for the amendment and the dilutive impact of the amendment on the stockholders’ common shares.

The affirmative vote of a majority of the Class A and Class C shares of common stock presented in person or represented by proxy, and entitled to vote on the proposal at the Annual Meeting, is required for approval of the amendment to the 2014 Director Plan.
